

Assuredoor laminate colour range.

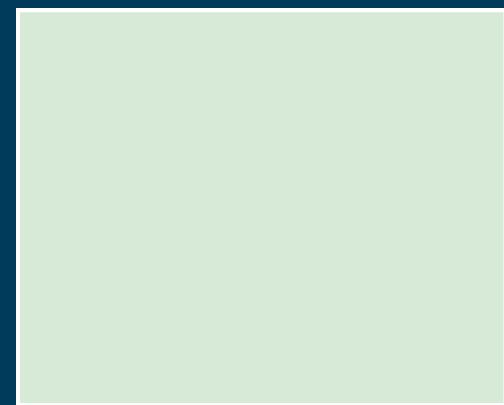

Assuredoor laminate faced doors are available in any colour from the Formica® laminate range. To support design consistency across projects, SDS has selected a standard palette of laminate colours below that align as closely as possible with the Dfend PVC colour range*.

						
Sno White LRV 88, RAL 9010 Closest match to Dfend White	Blanc Polaire LRV 84, RAL 9003 Closest match to Dfend Snowflake	Pearl LRV 88, RAL 9001 Closest match to Dfend Chalk	Folkestone LRV 54, RAL 7035 Closest match to Dfend Cobble/Gunpowder	Malibu LRV 77, RAL 9002 Closest match to Dfend Cloud	Mouse LRV 37, RAL 7037 Closest match to Dfend Flint	Storm LRV 19, RAL 7016 Closest match to Dfend Anthracite

*Please note that due to inherent differences in material composition and surface finish, variations in colour tone and light reflectance value (LRV) may occur between laminate and PVC. It is not possible to achieve a 100% match on screen due to contrast/colour settings, we have therefore included the closest RAL or Pantone colour as a guide.

Assuredoor laminate colour range (continued).
