Encapsulated fire doors to meet the stringent safety requirements.

Specialist Door Solutions (SDS) is proud to announce the successful completion of a major fire door supply project at Hinchingsbrooke Hospital in partnership with SDS-certified installers Fire Door Experts Ltd. and one of their main contractor clients, GRAHAM Group.

Customer:

Location: **Hinchingsbrooke Hospital, Huntingdon, Cambridgeshire.**

Total project value: **£21m.**

Project type: **Fire compliance works.**

Architect:

Main contractor:

NHS Trust:

ABOUT THE PROJECT

As a leading provider of fire safety door solutions for healthcare, our doorsets are recognised for their superior fire resistance and durability. In this particular project, SDS was selected to supply 156 doorsets to provide optimal protection for patients and staff.

This fire door supply and fit project between Fire Door Experts Ltd. and GRAHAM Group at Hinchingbrooke Hospital was initiated in late 2022. Following this began an extensive and detailed procurement journey to ensure that all doors once vested and in storage were correctly specified and manufactured.

Fire Door Experts Ltd, then commenced work supplying and fitting SDS encapsulated fire doorsets on behalf of GRAHAM Group and North West Anglia NHS Foundation Trust for Hinchingbrooke Hospital.

PROJECT DELIVERY

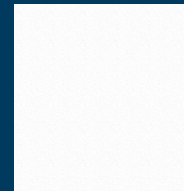

The collaboration with SDS-certified installers Fire Door Experts Ltd. was instrumental in ensuring a seamless installation process.

Through meticulous planning and execution from all parties, the project was delivered on time and to the highest standards. A benchmark trial installation involving all stakeholders further emphasised the commitment to quality and adherence to best practices.

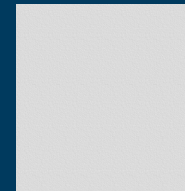

SDS healthcare doorsets supplied:

Engineered for clinical settings, offering robust performance, enhanced fire-safety, and infection control.

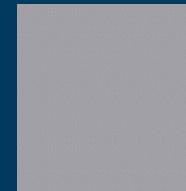

A combination of Snowflake, Gunpowder, Flint and vibrant Sunflower door finishes were chosen for door facings, paired with a Flint or Snowflake frame for a contemporary contrast.

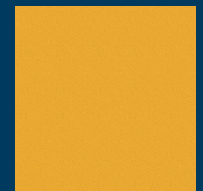

Snowflake.

Gunpowder.

Flint.

Sunflower.

CONCLUSION

Summary.

It's always fantastic to hear that the exceptional performance of our encapsulated doors and reputation for quality doesn't go unnoticed.

SDS is dedicated to delivering innovative and reliable fire door solutions that exceed customer expectations. We are proud to have contributed to the enhanced safety of Hinchingbrooke Hospital and look forward to future opportunities to protect lives and property..

“ We are proud to be accredited installers for SDS and to have supported GRAHAM Group with the delivery of this excellent project for Hinchingbrooke Hospital. The quality of the fire rated encapsulated doors from Specialist Door Solutions is always high end. ”
